THE INSIDER

INSTANT ROOM

OPEN SKIES

Peter Pennoyer Architects' interior design director, Alice Engel, envisions an outdoor living room loaded with durable fabrics in upbeat hues, perfect for whiling away sun-splashed summer days.

Peter Pennoyer and Engel were inspired by the classical pediments and arches of prewar Manhattan apartment buildings. The chairs and demilune tables are by Munder Skiles.

BENCH

- 1. CUSHION** "This adorable little stripe needs a larger piece, like this bench, to make a real impact," Engel says. Fast Acrylic in Multi. stroheim.com
- 2. TRIM** "Perfect for giving a cushion punctuation and structure." Dashing Cord in Melon. linkoutdoor.com

CHAIRS

- 3. SOLID PILLOW** "A splash of cheerful yellow-gold speaks to the palette on the shades." Donald Outdoor Fabric in Amarillo. By Gastón y Daniela. kravet.com
- 4. FLORAL PILLOW** "A charming, vintagey floral takes you to a preppy place and contrasts with the scale of the ikat." Breeze Acrylic in Summer. By Templeton. michaelsmithinc.com
- 5. CUSHIONS** "This bright solid highlights the chairs' Chippendale-style backs." Flagship Acrylic in Persimmon. \$35 per yard. sunbrella.com

WINDOWS

- 6. SHADES** "Exuberant, exotic, and fun! This fabric drove the entire room's palette." OD Madura Ikat Acrylic in Multi. clarencehouse.com
- 7. TRIM AND TASSELS** "Who doesn't love a touch of whimsy?" Sabine Border in Navy and Seasons Key Tassels in Polo. samuelandsons.com
